Mary Francis Dunn Wyscaver passed away July 15, 1999. She was a graduate of the Keenesburg school system in 1941. Her father had a service station midway between Hudson and Lupton. He also had a school bus and was part of our school district. There was a graveside service in the Hillside Cemetery just east of Ft. Lupton. Mary Francis was a good classmate. She and Florence Hubbart were close buddies and I always saw them side by side in the halls.
